

Dear Friends and Family,

I hope this letter finds you doing well and filled with the Joy and Strength of our Lord! Pictured above are our team leaders from around the world. We just had our gathering mid-March, followed by our InnerCHANGE leadership meetings, in Glasgow. Two people I'd like you to "introduce" you to in particular are Jose and Celida Penate, along with their 10-year old daughter, Belen.

Celida, Belen, Jose

Twenty years ago when Jose and Celida joined InnerCHANGE (IC), they were both single; Jose an immigrant from El Salvador and Celida from Mexico. After working together on the IC San Francisco team a few years, they decided to get married. Fast forward to 2012, when Jose and Celida passed on leadership of the San Francisco team and started a new team in Oakland. Two years later they passed on leadership of that team, as planned, and in 2015 moved to Honduras.

Upon arriving, a local church they had visited several times as they were scouting out the land, had built them a small home to move into. This was a huge blessing. In the last two years, their family has come to know all the people in their local hillside. All are very poor. Most children suffer from severe malnutrition, so Celida started cooking lunches for the children several days a week and got other women in the community to help her also.

Most recently, Jose and Celida have worked with local leaders to organize a clinic for the most indigent. Doctor Juan Carlos, with community volunteers Lina and Paty, donate time every Tuesday to open a free clinic. This effort complements the nutrition program. Community workers have refurbished a room in their local church for this purpose-- unfortunately, a "landlord" has materialized from outside the community claiming the land and asking asking for payment.

Building for new Clinic

Please pray with us that this service of healing will continue to flourish and expand. Also please pray that the Penates will be able to build a community center that can serve as a permanent location for the lunch program critical to the neediest children of the Nueva Capital.

As always, THANK YOU! for standing with us to love the poor with the love of Jesus Christ.

With Delight in the Daily, Diane
